

YC INTERPRIZE INC DBA AUDRIS LOUNGS

Our opening plan we are putting in 4 hand sanitizer machines one in each bath room one by the door and one behind the bar. We are also putting covid-19 signs on the outside of the door. We will stay inside the regulation of the number of people inside the business. The employees will have face mask and gloves supplied for them we will be sanitizing with a bleach solution everyday and when someone leaves there spot. We will enforce the social distancing. We have a infrared thermometer for the employee to use.
